

Giving families and women the helping hand they need...

THE ADOPTION AUTHORITY

The Adoption Authority stands out as a result of its many years of experience and a professional approach. Our knowledge and individual services are sure to impress you, come find out for yourself!

Licensed in Florida and Georgia

Experienced staff in domestic and international adoptions

We have trained counselors with years of experience that are available to meet with you to provide support and guidance regardless of your situation.

We specialize in working with birth mothers and adoptive families in rural communities in Florida and Georgia.

We provide quality services, and can meet you at a convenient time and location.
